

Harvard Sportsmen's Club

2017-2018 Hunting Preserve Policies

Only Club member are allowed to hunt on the club's property. This means no friends and no friends dogs. The Hunting Preserve Program goes one step further as it is a pay to play program. Members must buy into the program to participate. Only members with the appropriate years Hunting Preserve sticker are allowed to hunt stocked birds (Pheasant, Chukars, Hungarian Partridge, etc.).

Note: Mass Laws view any person calling, working a hunting dog, flushing birds, or assisting a hunter in any way as actively engaged in hunting.

The Hunting Preserve is open from September 15th, 2017 to the 1st of March 31st, 2018.

Participating members may hunt stocked birds (Pheasant, Chukars, Hungarian Partridge, etc.) on Sundays.

The Harvard Sportsmen's Club Hunting Preserve is a cock bird (male only hunt). **Please do not shoot hens.**

Current year Hunting Preserve Sticker must be affixed to member's ID.

There is no hunting within 500 feet of the Grounds Building, Club House & Conservation Shed area.

Dog owners are responsible for their dogs at all times. Owners must prevent their dogs from rushing the pheasant pen and scaring the birds.

All dogs will be leashed when they not actively engaged in hunting or when they are within the area of the pheasant pen.

Hunters must wear a minimum of an Hunter Orange hat. An orange vest or jacket is also recommended.

The Board of Directors has requested that hunters report their harvest total to the Conservation Chairman at the end of the season. Harvest numbers can be reported to the Conservation Chairman at MyConservation@hotmail.com. Please provide your full name and the number of birds harvested.
